

## **FREESTYLE RAP**

### **Your company in a hiphop poem**

This is one of the most fascinating show acts, you can imagine. Because when you see it happen, you just don't believe your ears and eyes.

The audience is asked to give 10 randomly chosen words, which will be written on a flipchart on stage. The song begins and a freestyle rapper uses these words for a 100% improvised flow of rhymes. Every time the rapping virtuoso uses one of the 10 words, the crowd has to cheer him on, which makes the whole piece interactive and entertaining.

Get ready for some rhyming pyrotechnics and great fun for those who enjoy the freestyle flow!
