

IMPROBEATS

A theatre of groove and sound

Where impro theatre and stand-up comedy meet vocal percussion and human beatboxing, a new and exciting stage concept emerges: Two actors and two sound creators make ImproBeats come alive by letting the audience become scriptwriter and director of an interactive corporate event lab.

For ImproBeats, we combine the best vocal percussionists and improvisational actors in a completely improvised, partly or fully scripted show, conveying whatever story you want us to tell in an emotional and exciting way.
