

## **INSPIRATION DAY**

### **Singing outside the box**

Do you remember the feeling of really focusing on one topic for more than the average business meeting duration? Do you remember what it feels like to get deeply inspired by something that makes you go beyond your everyday routine?

The Inspiration Day event concept is another unique tool we have created together with vocal music artist, that is both a full day of exciting ideas and the kick-off for a new vision, strategy or masterplan.

How can you expect your team to really dive into innovation, change and long-term goals, if you don't inspire them? Our tailor-made Inspiration Day workshops have clear objectives: To fuel your team's motivation and creativity with the help of the best vocal coaches worldwide.
