

RAP OPERA

Your company in rhythm and voice

Every person has a very individual voice. And every human being can feel and express rhythm. So the foundation of a unique vocal experience for groups up to 600 people is there.

All else we need, is content provided by your team (supported by professional copywriters) as well as a number of rhythmic teachers who arrange these words as a 10-minute Rap Opera.

The power of rhythm and rhyme culminates in an inspiring performance, combining individual expression and team spirit.
